

**don't let your dream holiday
become part of a dolphin's nightmare**

Photo: Sea Shepherd

△ During the notorious 'dolphin drives', wild dolphins are rounded up by boats. Some are killed for their meat, turning the sea red with their blood, others are sold alive to amuse tourists in dolphinariums around the world.

**Dolphinariums rely on tourists: Please, never buy a ticket
to see captive dolphin and whales**

**Make a difference:
Boycott dolphin prisons**

**World Week for Captive Dolphins
1 - 7 July**
